Synergy:

Instructions are located at www.gsoa.org. Please read through them to make sure you have the correct version of Silverlight on your computer.
Username: One of the emails listed in your BZ profile. (When we used ZW it was the first one listed, however, I think BZ switched the order in their profile so try every email you have to see which one it is).
Password: Your last name + 1234 ex: Stigliano1234

Krossover:

Works best with google chrome
www.krossover.com

Red River:

Username: tonystig@aol.com
Password: rrac

SCAC:

Username: stigann@aol.com
Password: scac

Once you are logged into Krossover, in order to toggle between men's and women's you will need to click on the orange box in the upper right hand corner that says either Coach Ann or Coach Tony, it will drop down a white box showing the same thing. Click on it and it will switch you between men's and women's.
